

Carlsbad Montessori School School Year 2026/2027

The enrollment period will take place from **January 15 to February 15, 2026**.

As part of the enrollment process, we welcome a **one-week trial visit** of the child at our elementary school. This visit helps to assess whether the **Carlsbad Montessori School Educational Program** aligns with the child's interests and needs, and whether the school meets the expectations of the parents.

The visit may take place **before the official enrollment period**, i.e., during the first semester of the 2025/2026 school year.

The capacity of 1st grade for the 2026/2027 school year is **8 students**.

When deciding on admission, we consider the following criteria, all of which carry equal weight:

1. The child is of compulsory school age (turns six years old by August 31, 2026).
2. A sibling of the applicant already attends Carlsbad Montessori School.
3. The child attended the **Carlsbad Montessori School Children's Group**.
4. The child attended another Montessori institution with a similar or equivalent educational program.
5. The CMS educational program is deemed suitable for the child's personality, individual needs, and level of school readiness (especially in the language area, considering the school's extended English program).

If the number of applicants meeting all the above criteria exceeds capacity, **admission will be decided by a random draw**.

The results of the enrollment process will be published in anonymized form on the school's website **no later than Monday, February 23, 2026**.

Successful applicants will receive a **Decision of Admission**.

Applicants who are not admitted will be informed in writing by registered mail or via a data box.

Decisions of non-admission will be sent **no later than Monday, February 23, 2026**.

Karlovy Vary, October 10, 2025

PhDr. Miroslava Brožová, Ph.D.

Head of School
